E B7 C#m A E B7 E B7

It E ain't no use to B7 sit and wonder C#m why, babe
A It don't matter, E anyhow B7
And it E ain't no use to B7 sit and wonder C#m why, babe
F#7 If you don't know by B7 now
When your E rooster crows at the E7 break of dawn
A Look out your window and F#7 I'll be gone
E You're the B7 reason I'm C#m trav'lin' A on
E Don't think B7 twice, it's all E right B7

It E ain't no use in B7 turnin' on your C#m light, babe
A That light I never E knewed B7
An' it E ain't no use in B7 turnin' on your C#m light, babe
F#7 I'm on the dark side of the B7 road
Still I E wish there was somethin' you would E7 do or say
To A try and make me change my F#7 mind and stay
E We never B7 did too much C#m talkin' A anyway
So E don't think B7 twice, it's E all right B7

It E ain't no use in B7 callin' out my C#m name, gal
A Like you never did E before B7
It E ain't no use in B7 callin' out my C#m name, gal
F#7 I can't hear you B7 anymore
I'm E a-thinkin' and a-wond'rin' all the E7 way down the road
I A once loved a woman, a F#7 child I'm told
I E give her my B7 heart but she C#m wanted my A soul
But E don't think B7 twice, E it's all right B7

I'm E walkin' down that B7 long, lonesome C#m road, babe
A Where I'm bound, I can't E tell B7
But E goodbye's B7 too good a C#m word, gal
F#7 So I'll just say fare thee E well B7
E I ain't sayin' you treated me E7 unkind
You A could have done better but F#7 I don't mind
E You just kinda B7 wasted my C#m precious A time
But E don't think B7 twice, E it's all right E
